# ALLOCUTION OF THE ILL. COMMANDER-IN-CHIEF

To the Commander-in-Chief, Officers and Brothers assembled in Orange, Connecticut for our One Hundred Forty Second session of the Connecticut Council of Deliberation on October 1, 2021:

Good Afternoon,
I am pleased to submit my Annual Report as Deputy for
Connecticut for the year ended June 30, 2021

### Necrology -

Our Connecticut Council of Deliberation has lost several Brothers to the Grand Architect of the Universe since my last report, and they are:

**Ill. Brother Sterling N. Viets, 33°** - Passed away July 19, 2020, a 9 yr member of the Valley of Hartford.

Ill. Brother, Arthur J. McKinney, M.S.A., 33° - Passed away September 29, 2020, a 62 yr member of the Valley of Hartford. Ill. Brother Robert C. Stalhammer, M.S.A., 33° - Passed away on December 2, 2020, a 73 yr member of the Valley of Bridgeport. Ill. Brother A. Norman Johnson, 33°, Active Emeritus - Passed away on April 4, 2021, a 72 yr member of the Valley of Hartford. Brother Daniel George, M.S.A. - Passed away April 30, 2021 at the age of 95, a 65 yr member of the Valley of Hartford.

Each of these Brothers has served with distinction and their counsel and friendship will be missed by all.

Let us have a moment of silence in memory of our departed Brothers.

# Degree Work -

Unfortunately, due to the COVID-19 pandemic and quarantine restrictions, degree work celebrations have not occurred in live format. The Thursday night "Virtual Reunions" of video degrees has proven very helpful for members expanding their passport certifications, as well as allowing for new members to join our Valleys.

#### Charities -

Connecticut Scottish Rite takes our responsibility to the Children's Dyslexia Center of Connecticut very seriously, and therefore provides support as our major charitable activity. We thank the

Valleys of Waterbury, Bridgeport, and Hartford for their continued support and participation in this worthy endeavor. In addition, the Valleys of Norwich and New Haven continue their fund raising efforts to contribute to the student education at these centers. Without the dedication of Ill. Brother David Sharkis and lady Cheryl, these three centers would still be in the planning stages. Thank You!!

Our Valley Hospitalers were busy this year helping distressed Brothers who are experiencing financial hardships, or were in need of other means of assistance. This COVID-19 pandemic saw many Brothers out of work and needing assistance. Many of our Brothers who have received support in previous years are now paying this forward, both financially as well as through "gifts in kind."

### **ROTC/JROTC** -

This year due to the quarantine of all State schools and Universities, Connecticut could not present our JROTC awards, as well as ROTC awards. These presentations were mailed to the various schools for presentation by them at a later date.

#### Council of Deliberation -

The 141st session of the Connecticut Council of Deliberation was hosted by the Valley of Norwich this year with the meeting being held via Zoom on September 25, 2020. 68 members of the Council were present and entitled to seats in our meeting and election of officers. Four well deserving Brothers received the Frederick H. Lorenson, 33° Meritorious Service Award. The full ceremony was not able to be performed, however, caps and jewels will be presented at a time when we can all gather together again.

# Scholarships -

Upon receipt of over 60 applications for the Leon Abbott scholarships, Connecticut has awarded 11 Abbott Scholarship of \$ 1,000.00 each, providing recognition of our youth and Scottish Rite this year. In addition, several Valley scholarships will be

awarded in varying amounts to deserving students. Our Scholarship Committee headed up by Illustrious Brother Jack Farkas, 33<sup>0</sup> does a tremendous job with their task, and I thank them sincerely.

# Children's Dyslexia Center of Connecticut -

Our two "satellite centers", one in the Bridgeport area and one in the Hartford area continue to operate under the existing Board of Governor's structure with Associate Directors. Mrs. Cheryl Sharkis oversees the entire three centers activities and tutoring staff. My sincere thanks to III. Brother David Sharkis who is working tirelessly behind the scenes to keep these expansions possible. We are proud to say that our Centers were able to continue their tutoring activities through the use of "Zoom" sessions this past year, providing for a successful learning center experience for our youth. This entire process was overseen by our Director Mrs. Sharkis and the assistance of her husband III. David L. Sharkis, 33°. We are deeply indebted to you both for your dedication.

#### State of the Rite -

Communication continues to be a major concentration as we relied heavily on local and Supreme Council web pages this year. Valley newsletters continue to need review, with an eye on more regular editions and at least a schedule of expected publications.

The "Brother to Brother" calling program has continued, whereby, the Sovereign Prince and his officer line were given a list of all members in their respective Valley's, along with a brief script, list of phone numbers we had available and asked to contact these Brothers. The purpose of our call is not to ask for money, but to follow-up on their well-being and to offer any assistance these Brothers might need. In addition, these calls have allowed us to gain insight as to our widows and possible needs. This was sincerely effective during the period of quarantine for the COVID-19 pandemic.

#### Membership -

This year our five Valley's have worked tirelessly to grow and maintain membership in the Scottish Rite in Connecticut. Our total new members was 75 Statewide, however, a total loss of 225 Statewide left us with a deficit of 150 members, bringing our total membership to 2,041. The virtual reunions have given our new applicants the opportunity to join our ranks and not have to wait for "in-person" degree portrayals, however, the Grand Architect of The Universe still prevails heavily upon us.

### **Dispensation -**

This year during the continued Statewide quarantine for the COVID19 pandemic, and in conjunction with our Most Worshipful Grand Lodge, I issued a dispensation for all Annual meetings and Election of officers to be held at a time when restrictions on meeting attendee numbers would permit these gatherings, or if it better served our members, these meetings could be held in electronic medium such as WebEx, Zoom or other format, with proper notice being given to all members prior, per the terms of the Valley By-Laws.

#### Conclusion -

The capable service of the Active and Active Emeriti, is most sincerely appreciated, as they have responded to every call of duty with willing assistance, and made my years as Deputy, a genuine pleasure. Without their wise council and cooperation I'm sure Connecticut Scottish Rite would be facing many more challenges than we are today.

I was appointed Deputy in September of 2013 to succeed III. Brother David L. Sharkis, 33°, and elected Deputy in August 2014. Under the rules of Article 119-2 of the Constitutions of our Supreme Council, I could have remained as Deputy until 2022. However, it seemed to me that it was time to allow our Eminently Qualified Active Member, III. Kevin J. Hecht, 33°, to assume the title of Deputy at our Annual Session in Cleveland, Ohio in August

of this year. I look forward to continue serving with III. Brother Hecht, Connecticut Scottish Rite and our Supreme Council, as an Active Member.

I am honored to have served you Brothers as your Deputy and I want to express my gratitude to my wife and family, for their support during our term.

Fraternally and sincerely, Bruce T. Work, 33<sup>0</sup> Active for Connecticut

## REPORT OF THE CHILDREN'S DYSLEXIA CENTERS

To the Illustrious Commander-in-Chief, officers and brethren of the Council of Deliberation, in Annual Session, October 1, 2021 at Orange, Connecticut:

I am honored to present this report on behalf of your Children's Dyslexia Center Director, Cheryl Sharkis. Cheryl would have been here in person if not for the numerous tasks she is undertaking in getting all three Connecticut Centers back in operation. After almost 18 months of delivering over 3,000 lessons online, I am pleased to report that all three locations opened last week for face-to-face tutoring. Protocols are in place to ensure we can operate in a manner that is safe for our staff, the children, and their families. Like many businesses during this pandemic period, we have struggled to obtain tutors and trainees for our program. If you know an individual who has a bachelor's degree, has time available on weekday afternoons, is willing to learn and work hard, and wants to make a difference in the lives of children, please have them contact Cheryl.

Our Centers remain financially strong. The support we get from our five Valleys and the extended Connecticut Masonic family is exceptional. At this time, I'd like to call your attention to

Illustrious Brother Russ Griswold. Brother Russ has served as chairman of our annual Dyslexia Walk for the last 15 years. During that time, Russ has raised over \$250K for our Connecticut Centers. Russ will retire as chairman after this Sunday's Walk. Please join me in congratulating and thanking him for his many years of outstanding service.

Through sound financial management and your continued support, I am pleased to report that the Connecticut Center endowment fund has for the first time topped \$1M. This allows us to begin to draw earnings to offset center operations and lesson the fundraising burden on our Valleys.

In closing, on behalf of Cheryl, her staff, and the children we serve, I thank-you all for giving us this incredible opportunity.

Cordially and Fraternally,
David L. Sharkis 33°
Active Emeritus for Connecticut

# REPORT OF THE BOARD OF GOVERNORS OF THE CHILDREN'S DYSLEXIA CENTER

To the Illustrious Commander in Chief, officers and brethren of the Connecticut Council of Deliberation in the Grassy Hill Country Club in Orange CT on October 1, 2021.

Brothers, good afternoon and greetings from your Board of Governors.

Will the members of the Board of Governors who are present please virtually signify their presence in order to be recognized?

My Brothers, these dedicated volunteers continue to work to support the life changing tutoring provided by the dedicated team of tutors at the Children's Dyslexia Center of Connecticut. Please join me in offering your appreciation for their time and efforts.

This Year's news centers upon the ability of our Centers to continue delivering their enlightening services to the children of our state without missing a beat during the prolonged COVID episode. Your centers were able to nimbly switch to Zoom classes while setting aside in person sessions for almost all of last year. In person sessions have only restarted this fall, under the constraints imposed by the State's Health Authorities. Last year, and much of this year saw the centers deliver hundreds of teaching sessions to the children we serve. The additional burden and stress that this imposed upon the staff of the schools is unfathomable, but we are blessed to have a devoted and faithful retinue of managers and instructors who have set aside personal hardship for promoting what they and we all believe in - the greater good of our Mission.

The online sessions have encumbered your centers with additional unanticipated pecuniary costs for each meeting, while our rent and utility obligations to our bricks and mortar sites continued unabated. In addition the Pandemic stymied a number

of key fundraising activities in the last fiscal year. We were able to offset some of this diminished revenue with a virtual event earlier this year. Returning to live teaching reduces and nearly eliminates the Zoom cost. In any case, your kind and thoughtful support of the Centers is always appreciated. The hardships of the past year and the resulting acceleration of costs has made this a challenging time and your support is ever so critical as we move forward.

I am glad to report that one event that is "all systems go" is the October Dyslexia Walk and will occur this Sunday in Waterbury at the usual venue at Noon. This is a key fundraiser for your Centers and I ask that as many of you as possible come out to support this outdoor event. I am saddened to report that III Russell Griswold, who has coordinated this event for so many years will be retiring as the chairman of this year. Russell has been a tsunami of energy and the dynamo behind this critical event for many years, and we will be hard pressed to replace him. He has kindly indicated that he will be with us in order to work train and a new Fund Raising chairman for this event over the next few months. At this point I'd like to applaud and extend Kudos to Brother Russell for a fine and excellent job over so many years. There are many details and steps involved in putting this complex event together and he has been instrumental in managing a key source of revenue for what feels like forever! \*\*\*

His shoes will be hard to fill, but I would ask anyone here who might be interested in tackling this key project for next year to get in touch with me.

Your Board of Governors acknowledges the outstanding financial support that comes reliably from the Constituent Valleys in Connecticut. We also acknowledge the outstanding and selfless job that many Brothers in the Constituent Valleys have done to raise money for the Center. We hope that circumstances will allow us to resume our traditional fundraising successes with tomorrow's Annual Walk for Dyslexia Awareness in Waterbury,

the Thanksgiving Day Turkey Trot in Stratford, and the Valley of Bridgeport's Annual December Holiday Party in Branford.

I must acknowledge the continuing herculean efforts of Illustrious Brother David Sharkis, 33°, who has steered the entire CDC through one of our country's most challenging historical epochs. The organization from the top has reached new standards of efficiency, professionalism, resource management and corporate compliance previously absent. The entire CDC is on a surer footing than it has ever been. I must also, as always, extend kudos to our State Management, Center Director Cheryl Sharkis, and Co-Directors Connie Voight and Dawn Valentini, the Tutors and Tutor Scholars who have managed to shift from in person to online training sessions and adopting new and more time consuming preparation regimens. Their selfless efforts continue to be the foundation which supports our young clients by providing them an unabated teaching regimen, despite unimaginable difficulties this past year and a half.

Lastly, I ask, once again, that everyone here please support and participate in our next upcoming fund raiser – specifically the Dyslexia Walk, on Sunday, October 3<sup>rd</sup> 2021, which kicks off at the Waterbury Masonic Temple at noon.

In conclusion, I want to, again, express my gratitude to each of you for your ongoing support for our Mission. Your support and the ongoing support of the Blue Lodge brethren is critical, especially given the exigencies created by the current pandemic situation. Please remind your Blue Lodge Brothers, as well as all Scottish Rite Brothers that the Center should also be considered when making plans for memorial gifts.

Fraternally Yours,

John A. Amarilios, 32°, MSA, Chairman, Board of Governors Connecticut Children's Dyslexia Centers

## REPORT OF THE COMMITTEE ON MEMBERSHIP

To the Illustrious Commander-in-Chief, Officers and Brethren of the Connecticut Council of Deliberation in Sessions at Orange, Connecticut on October 1, 2021:

The Chairman of the State Membership and Retention Committee respectfully submits the following report for the year 2020-2021.

The two years have proven itself to be the most challenging period for active Masonic participation in recent history. The challenges presented by the Covid-19 Pandemic have been unprecedented in Masonic history. However difficult this period has been, it is the opinion of this committee that our membership and leadership can weather this storm and continue to serve our brethren. "Freemasonry, notwithstanding, has still survived."

In response to this crisis, the Supreme Council has continued to show its forward-thinking nature and has adapted. The Supreme Council has continued to host Virtual Reunions and provide alternate paths for degree conferral. We highly recommend that all valleys take advantage of the alternatives provided by the Supreme Council, as well as continue to follow all fraternal, state, and federal guidelines regarding gatherings and social distancing.

The State Membership and Retention Committee would like to express our continued support of the Supreme Council recent efforts regarding membership. In 2018, the Supreme Council began rolling out the Path Forward program, which was built upon the efforts of past Sovereign Grand Commander McNaughton's book, Reclaiming the Soul of Freemasonry and additional market research. This program focuses on the demands of our membership and recognizes the following.

Members want to be able to dive deeper into the craft. They want to use technology to study and examine the degrees when they want, and where they want. You want to leverage technology to bridge the gap between membership and leadership. Technology is seen as a way to keep the connection between Brothers alive between in-person meetings. You want Freemasonry to be open and vocal about who we are, our values, and the good we do for so many.

The Supreme Council has developed many initiatives to support membership. This committee highly recommends that each Valley in Connecticut utilize these initiatives to strengthen its membership experience. These initiatives include:

Six virtual Masonic Exhibits; Valley of Excellence Program; 32<sup>nd</sup> Degree Member Kits; The New Member Experience support materials; "Not just a man, a mason" promotional materials; Hauts Grades Academy Educational Program; Additional Leadership Materials; "You're Invited" Brochure; Online Petition, process, and payment; 4<sup>th</sup> Degree "Induction Ceremony" with Welcome package; A redesigned Northern Light magazine

Details regarding these programs can be found in the Northern Light magazine, the Supreme Council website (scottishritenmj.org), or can be presented by the chairman of this committee. We highly recommend

that all valleys investigate and promote these programs within its membership.

## Ongoing Recommendations

The State Membership and Retention Committee continues to recognize that there are two primary concerns facing our committee that require our strict attention and focus; recruitment and retention. Successful recruitment and retention both necessitate that our Rite develop an environment that is simultaneously inspirational, convenient and enjoyable for both potential members and existing members.

As this committee has little power to compel individual valleys to adopt a uniform program for membership and retention, our committee has focused on collecting information regarding the best practices currently being adopted within the state, developing consistent resources and materials to assist valleys in adopting these best practices, and communicating this information to the respective valleys for adoption.

Our committee respectfully submits the following recommendations to ensure positive results in the areas of recruitment and retention. We advise each valley to accept the recommendations that will work best for them and to adapt this material to meet their specific needs.

## Inspirational Fellowship

The majority of Master Masons who join the Scottish Rite are seeking further light in Freemasonry. Light in Freemasonry is only transferred from brother to brother. For the rite to succeed in this goal, it requires inspirational fellowship, where brothers mutual labor together to expand their horizons and seek enlightenment. In accordance with this, we recommend the following programs to support inspirational fellowship.

Form a valley welcome team. A small group of brothers should focus on ensuring that all members of the Rite attending a reunion feel welcomed and informed. These brothers should focus on meeting, greeting, and introducing brothers to other brothers who have similar interests. As a new member sitting by yourself, while other brothers form smaller cliques, is very unfriendly and will ensure lack of attendance in the future. A

- welcome team can help penetrate these cliques and make a new or returning member feel very comfortable.
- Form a valley retention team. A small group of brothers should focus on reaching out and contacting brethren who have not recently participated in our labors. By calling a brother or stopping by his house, he'll feel welcomed by the Rite and will be more likely to engage in our labors. In addition, this team should reach out and contact brethren who are in danger of being dropped for non-payment of dues. Reducing our number of NPD brethren should be made a top priority.
- Start a book club and/or study group. The Scottish Rite has long been considered the University of Freemasonry. By holding frequent discussions about our philosophy, history and ritual, we have the opportunity to live up to this name and fulfill an element of our brethren's search for enlightenment.
- Hold open discussions after degrees. Our rituals are filled with deeper meaning, expandable topics, and complex history that cannot always be explained in the short time during the degree. Many valleys have adopted discussion groups held after the degree in a more informal setting. This allows new brothers to ask questions about what they experienced and for more veteran brothers to give more instruction relative to the deeper meanings of our degrees.
- Build a structured leadership training program. The traditional means of training the leaders of our Rite has become difficult to maintain over the past few years. Learning solely mouth to ear is difficult given our competing priorities and reduced membership. This committee recommend creating a structured leadership training program to help build the leaders of tomorrow. This program could (and should) be conducted in coordination with several valleys and should focus on the five leadership competencies outlined by our Active Members of the Supreme Council; integrity, initiative, accountability, compassion, and altruism.
- Develop an active lodge ambassador program. Brothers who are active both in the Rite and in their local lodges should be selected to serve as lodge ambassadors. These brothers should receive regular instruction from the valley leadership regarding the information to communicate to their local

lodges. This knowledge will help bridge the gap between our valleys and our lodges. These brothers should regularly invite both masons and non-masons to valley events and to encourage them to learn more about the Rite.

## Convenient Communication

Unless our brethren, both new and experienced, are aware of our valleys programs and opportunities, it is impossible for them to engage in our labors. Unfortunately, the communication landscape is now much broader than in years past. Some brothers communicate primarily through electronic means now, while others still strictly use traditional means. Although it may be tempting to only focus on the latest innovative technologies in communication, we must adopt a multi-faceted approach the meets the needs of all our members. We cannot allow the prospects of the future come at the expense of the past. In accordance with this, we recommend the following programs to support convenient communication.

- Continue high-quality traditional postal bulletins. Having a physical copy that lists the most important details of our valleys, its programs and calendar is immensely valuable. Many of our valleys produce high quality publications that supply all our brethren with information, while at the same time can be used as a recruitment tool highlighting the benefits of the valley. We recommend that the distribution of these publications be opened beyond the members of our valleys and include all Grand Lodge and local lodge leadership.
- Circulate colorful and informative event fliers. Social events can be supported by the circulation of colorful and informative event fliers. These fliers can be mailed to all members, as well as given to members during reunions. This gives our members a physical handout that can be later given to potential members or returning members. In addition, degrees should be accompanied by degree programs and identify all members of the class and valley officers. This will give our new members material that can help them connect member faces with their names, and make them feel more comfortable.
- Conduct a consistent and frequent email notification program. Email is now used by the majority of our members

and should be universally adopted as a means to communicate to our brethren on a frequent timely basis. The use of email services such as "Constant Contact" makes managing and deriving value from email-based communication easy and at a low cost. Several valleys have already adopted using email as a way to consistently keep their membership up to date through announcements, notifications, and the sharing of documentary resources.

• Adopt a strong social media presence. The rapid growth of social media makes it an undeniable resource for Scottish Rite membership recruitment and retention. By adopting a strong social media presence, valleys can reach out to a wide range of potential new members, as well as communicate on a consistent basis with existing members. Although there are many options within the social media landscape, this committee only recommends the use of Facebook pages (not profiles) for valley communication. Many of the other options in the social media landscape are not as widely used or do not have the value needed for a strong social media presence within and without the Masonic fraternity.

## **Enjoyable Events**

The heart and soul of Freemasonry is fraternalism. It depends on brethren gathering together and sharing one another's company. This is the most important aspect of our fraternity, the Scottish Rite, and our membership. The value proposition of our fraternity should be focused on the enjoyable events that we hold together from adult-oriented social events to family life events to our degree work. In accordance with this, we recommend the following programs to support enjoyable events.

• Create a program of diverse social events. Several valleys have shown that their membership growth and retention is intimately tied to the diversity and quality of their social events. By giving our brethren a wide range of options regarding meeting and interacting with their fellow members we ensure a strong, close-knit fellowship. Valleys should not be afraid to hold events that are focused on adult activities that do not include the entire family. Diversity in event scheduling is about balance and ensuring that there are events that will

appeal to a wide range of members. Here are some examples of outstanding events that have been held during the past year that was enjoyed by our brothers, their spouses, and their friends:

- Chartered boat fishing trip
- Scotch and cigar nights, Winery bus tours
- Museum and special location Trips
- Trips Outside of the State to see other degrees
- Sporting events (i.e. Baseball games)
- Athletic events (i.e. Road Races, Charity Walks)
- Picnics and family outings, Clambakes
- Vary the location, time or venue of degree work. Holding reunions in the same place, at the same time and in the same format for long periods of time can make members feel bored and drive them away. This committee recommends that valley make use of unique locations and places to help "spice" up the experience of our reunions. In addition, the standard day and time may be difficult for some brethren to attend, so holding degrees on different days or time may encourage some unseen brothers to return to our labors.
- Hold more large-scale degree conferrals. By conferring degrees
  with a large cast in the presence of hundreds of Scottish Rite
  Masons, it inspires awe in our new brethren and energized our
  existing membership. More degrees, especially the 32nd
  degree, should be conferred in conjunction with multiple
  valleys, if not the entire state.

## Conclusion

In closing, the Scottish Rite in Connecticut has done a tremendous job in making its programs and reunions be more inspirational, convenient and enjoyable. We would like to commend the efforts of our brethren across the state, who have tirelessly dedicated themselves to make the Scottish Rite experience be a fantastic journey towards further light in Masonry.

The Supreme Council has made membership its primary focus. It has developed a wide range of programs, services, and initiatives to help support all Valleys. These programs should be used to enrich the Scottish Rite experience and encourage Blue Lodge masons to join the

rite. We look forward to further initiatives presented by the Council and how the Valleys will utilize them.

Fraternally submitted, Charles H. Tirrell, MSA, 33°, Chairman State Membership and Retention Committee

2021 SCOTTISH RITE ABBOTT AND VALLEY SCHOLARSHIPS FOR CONNECTICUT

To the Illustrious Commander-in-Chief, Officers and Brethren of the Connecticut Council of Deliberation, meeting on October 1, 2021, the 142th COD session, Grassy Hill C.C., Orange, CT:

This year, The Supreme Council, located in Lexington, Massachusetts, has awarded \$14,500.00 to Connecticut for Abbott Scholarships. The State of Connecticut awarded Fourteen One Thousand Dollar Abbott Scholarships and One \$500.00 scholarship that the Valley of Bridgeport Matched with \$500.00 to make a total of Fifteen Abbott Scholarships awarded to fifteen worthy students for 2021. The State Scholarship Committee of the Connecticut Council of Deliberation has recommended fifteen applicants to become the 2021 Abbott Scholarship recipients. Following tradition, these recommendations were made to Illustrious Bruce T. Work, 33°, Deputy of Connecticut and to the Supreme Council.

Named for Leon M. Abbott, Sovereign Grand Commander from 1921 to 1932, the Scholarship Program provides financial support for the continuing education of young men and women from Scottish Rite families and Masonic-related youth groups. Since 1951, more than \$3 million has been awarded to students from each state of the Northern Masonic Jurisdiction.

Eligibility: Those meeting any of the following criteria are eligible to apply for the 2021 Abbott Scholarship program:

- A Scottish Rite Mason of the Northern Masonic Jurisdiction.
- A student directly related (by bloodline or by legal means) to a Scottish Rite Mason in the Northern Masonic Jurisdiction, or a member of a youth organization sponsored by the Masonic fraternity in the Northern Masonic Jurisdiction who is:
  - A high school senior, currently accepted at an accredited trade school, who has attained a minimum grade point average of 2.75 on a 4.0 scale.
  - A high school senior, or undergraduate, or graduate student currently enrolled at an accredited college or university.
  - A member of DeMolay, Rainbow or Jobs Daughters in the Northern Masonic Jurisdiction, or a student from the Dyslexia Learning Center who is a high school senior or is currently enrolled at an accredited college or university, who has attained a minimum grade point average of 2.75 on a 4.0 scale.

The State Scholarship Committee received a total of forty-five applications for the Abbott Scholarships from the five Valleys in Connecticut. This submission is a decrease of nine applications from last year's application totals. The Fifteen recipients of this year's Abbott Scholarships, and all recipients of the Valley Scholarships demonstrated excellence and genuine financial need. One application was found to be ineligible for this year's scholarship. Impressive letters of recommendations from teachers, professors and academic counselors supported all applications. Recipients also exhibited extensive volunteer community service, broad extracurricular activities, leadership and honors/awards in sports, music and drama. Many are holding part-time jobs during the school calendar year and full-time summer employment to help pay for their college costs.

This year, the five Valleys in Connecticut gave their own Valley Scholarships. The Valley of Bridgeport gave sixteen Valley Scholarships, five Abbott Scholarships, plus nine additional Valley Scholarships of \$1,500.00 each to the Abbott Scholarship recipients in Lafayette Consistory, for a total of thirty scholarships. The Valley of Hartford had thirteen applications and presented nine Valley scholarships along with four Abbott Scholarships all \$1,000.00 each. The Valley of New Haven had three Valley scholarships along with three Abbott Scholarships for a total of six Scholarships of \$1.000.00 each; the Valley of Norwich gave one Valley Scholarships along with two Abbott Scholarship of \$1,000.00 each. The Valley of Waterbury had two applications and presented one Valley Scholarships or \$500.00 this year along with one Abbott Scholarship for \$1,000.00. Collectively, our five Valleys have awarded a total of Fifty-four scholarships that include the Abbott Scholarships for 2021.

The fifteen recipients of the 2021 Abbott Scholarships are as follows:

- Jamison Y. White, Peoria, AZ; Grand Canyon University, \$1,000
- Scott A. Galbo, Jr., Niantic, CT; Eastern Connecticut State University, \$1,000

The Scholarship Committee would like to thank our Illustrious Commander-in-Chief, the Council of Deliberation and our Scottish Rite Brethren for the privilege of serving in this capacity. We earnestly applaud our Valleys for providing their own scholarship programs. Assisting our youth in achieving their life goals by pursuing higher education is commendable and for this, as Scottish Rite Masons, we should all be very proud.

Thank you, my Brothers.

# REPORT OF THE COMMITTEE ON THE STATE OF THE RITE

To the Illustrious Commander-in-Chief, Officers and Brethren of the Connecticut Council of Deliberation in Session at Orange, Connecticut on October 1, 2021.

## **Supreme Council**

The Supreme Council Session was held in Cleveland in August of this year. At the Session Robert J Furce, from the Valley of Bridgeport; Tony S Angelica and David S LaFargue, from the Valley of Hartford; Les B King, from the Valley of Norwich; and

Geoffrey L Ice, Martin J Macary and Giuseppe N Pisani, from the Valley of Waterbury were coroneted Sovereign Grand Inspectors General, 33rd Degree, Honorary Members of the Supreme Council. Also at the 2021 Session, Walter Grube, from the Valley of Hartford was nominated to receive the 33<sup>rd</sup> Degree, in August 2023 in Louisville, Kentucky.

# Membership

Our membership continues to have ups and downs. We have seen a membership surge of new members joining the Connecticut Scottish Rite in some Valleys. We have had some success with the Ambassador Programs across the State. Don't hesitate to speak to newer Masons about expanding their Masonic knowledge by becoming involved with the Scottish Rite. The Valley of Hartford has a team that is willing to travel to different Lodges or Blue Lodge Councils to give a brief education the Scottish Rite and show some of the videos available online from Supreme. It offers the Master a program for the evening and has been very well received. It is essential that we find new ways of reaching out to prospective members through electronic means. Here in the present and into the future we find the young and the old constantly on their phones and connected to the internet in some way. We strive to keep our members informed by using tools like Constant Contact, websites, various social media outlets, multi page pullouts in the CT Freemasons publication and Brother to Brother calling programs. Most often we hear that our members are content with the way things are. That's unfortunate. We need active members to carry out our work. What can we do to inspire them?

It's not all doom and gloom. Unfortunately, we have no control over the losses we sustain as our Brothers pass to the Celestial Lodge Above. But this past year we have brought in about the same number of new members as those we lost to demits, suspensions and discharges. Our biggest challenge seems to be retention. We need to continue to find a way to bring value to our membership. In addition, we once again have the full

support of our Grand Lodge. This harmonious relationship will make both organizations stronger.

## **Valley Activities**

The Supreme Council continues to modify our degrees and offer more of them on DVD's. During the COVID pandemic, they also showed many Degrees at virtual reunions called "Thursday Night at the Right". Because of the COVID constrictions last year, the Valleys have become more creative. Last year one Valley chose to use the 32nd degree DVD during their Fall and Spring sessions to start meeting in person again and still follow the State guidelines. Most of the Valleys took advantage of the Supreme Council reunions and asked their candidates to return when we can witness the degrees live.

Now that some of the restrictions have been lifted the Valleys have been back at work with live degrees, in person, this fall. The DVD's have been used to eliminate the down time required for staging between degrees and still allow the presentation of multiple degrees in one night, making for a better evening for all. Valleys have gone back to having meals before degrees and/or refreshments after to encourage fellowship among all whether a new candidate or a long-time member. All of the Valleys continue to work together and assisting each other. It is not only calling for help when a part cannot be filled. Our members enjoy traveling throughout the state and taking part in degrees and other activities and seek out those opportunities themselves.

Last year the Supreme Council came out with a Valley of Excellence Program, and the Valley of Bridgeport attained the esteemed title of a Valley of Excellence. Something every Valley should aspire to attain. Although there is some disagreement with the grading process in the program, it is a good template for our Valleys to use to improve on the items we are not doing so well. It consists of several areas where Valleys should put an emphasis, including Membership, Service and Philanthropy, Leadership Development and Operations. Some Valleys have restructured

their committees to align with these areas to better suit their needs. By having some officers focus on areas like Membership engagement through Family Life, Service and Brotherhood events; Widows programs and Fundraising efforts; Leadership mentoring and development it strengthens the Valley in the process.

All of the Valleys offer extensive family life events. Some have become traditions. Examples are wine tastings, concerts, plays, sporting events, bus trips, picnics, and fishing trips to name a few. Some Valleys host family events to announce and recognize Abbott and Valley scholarship recipients. COVID made it impossible to do some of these events. So, with ingenuity Valleys held virtual ugly sweater parties; movie nights, meetings and degree discussions on ZOOM; and cookie recipe swaps. The best part is members were able to attend and participate from all over the Nation, not just those living in Connecticut. With the hope of COVID coming to an end, we are looking forward to getting back to business as usual. But, with what we can accomplish using this newly learned technology, the options are truly endless.

## Children's Dyslexia Center

The Valleys all continue to support the three Connecticut Children's Dyslexia Centers with a multitude of events. This year many of them were held virtually. The support and hard work are vital to the success of the center as is the continued support of individuals and corporations. It is one of the most rewarding investments one could make.

## Conclusion

In conclusion, all of the Valleys in the Connecticut Council of Deliberation continue to work hard. Always striving to make things better, to include our families, to participate in and reach out to our communities, and to embrace the brotherhood we are all a part of. We still accomplished much during the restrictions a world-wide pandemic, and have survived to continue to grow and succeed. All of the Valleys are getting back to work in our temples, meeting in person and presenting live degrees as well as those on

DVD. We are getting back together in gatherings and other family/brotherly events. We have the support of our Deputy, our Actives, our Active Emeriti, the Supreme Council and the Grand Lodge. We also have the skills, talent and dedication of our hardworking Brothers to accomplish it. Let us enjoy our successes, but never fail to live up to the challenges of our failures.

Ill. Richard R. Jones, Jr., 33°

# REPORT OF THE COMMITTEE ON STRATEGIC PLANNING

To the Illustrious Commander-in-Chief, Officers and Brethren of the Connecticut Council of Deliberation in session in Orange, Connecticut, October 1, 2021:

The Committee continues to address issues of membership retention, the continuing cooperation between the valleys, and the family life events offered. This year's report continues to reflect the impact of COVID-19 pandemic.

## Membership:

We continue to remind our membership that each of us are ambassadors for the Scottish Rite. We need to keep our Lodges informed of our activities by mentioning them at meetings. We should speak to newer Masons about expanding their Masonic knowledge by becoming involved with the Scottish Rite. We should inform them about The Path Forward and direct them to the "Not just a Man. A Mason" website. As always, our biggest challenge is retention. Valley Officers and leaders should reach out to current members on a regular basis. There are many media tools like Constant Contact, websites, social media outlets, virtual

meeting programs, the CT Freemasons publication, Brother to Brother calling programs, and Valley newsletters which may be put to use. As always, these information highways need to be consistent and the content updated frequently, lest we lose the interest of those we are trying to keep and attract.

As the COVID-19 pandemic has resulted in the inability to meet in person last year and the beginning of this year, we were able to meet a little more this year but we were still limited. The inperson meetings help us to enjoy the camaraderie and friendship which are the hallmarks of our fraternity. The Supreme Council degrees that were made available Thursday Night at the Rite made a big impact for members that had not been able to make degrees due to distance and living outside the districts. It also attracted a good number of new members as well.

On a local level, many Valleys have been using virtual technology to help make it easier for members of the executive committee and officers to meet. It saved time and allowed those not comfortable or not feeling well to still be able to attend.

The Valley of Norwich only added a few new members to its ranks last year due to the COVID-19 pandemic and not being able to meet in person. Many brothers were able to take advantage of both the Thursday Night at the Rite and Virtual Reunions. This year with the ability to meet in person and being able to get more Blue Lodge brothers interested in the Scottish Rite, we hope to attract more members.

In the Valley of Hartford membership has dropped from 1400 to 600 over the past 7 years. We have a very high percentage of senior brothers (>80 years old) compared to other valleys. We are doing a good job of retaining Brothers, but need to step up recruitment.

The heads of the bodies need to do more to engage with new members and get them involved. Degree directors should ask

new members to take part in the degrees. Once these new members become involved, they will talk to their lodge brothers about Scottish Rite. We should also have well trained Brothers visit lodges and make presentations.

The Valley of Hartford is looking to improve the scheduling of family life activities for all 12 months of the year. The heads of the bodies are responsible for specific months. In addition to scheduling their degrees, they should also plan other events in those months, including their summer months. The events can be trips, movies, making phone calls to brothers, blood drives, game nights, etc. These events promote engagement among the Brothers.

In the Valley of Waterbury, they held zoom meetings and Lafayette Consistory held one in-person conferral of the 32nd Degree.

The Valley of New Haven, held one in-person degree with the 4<sup>th</sup> degree video, and the Lafayette Consistory held one in-person conferral of the 32nd Degree, two educational events on Zoom and officer meetings via Zoom.

In the Valley of Bridgeport there where three live degrees with the 4<sup>th</sup> degree on video and one other video degree offered as well. The Lafayette Consistory held two in-person conferrals of the 32nd degree. The Valley of Bridgeport also held 12 family life events including two Scotch and Cigar nights, two fishing trips, a trip to Lexington Scottish Rite Museum and a Red Sox game, the annual Clam Bake and a brewery tasting event to name a few. The Valley also held 3 Rite on the road events to educate blue lodge members to the Scottish Rite. The Valley of Bridgeport continues to work on contacting every brother in the consistory twice a year as part of the Brother to Brother program with a phone call to every brother we have a phone number for and letters to those without phone numbers. The Valley of Bridgeport

received 33 new members and Lafayette Consistory made 62 new 32 degree masons.

# **Children's Dyslexia Center:**

The Valleys continue to support the Connecticut Children's Dyslexia Center. However, the pandemic did impact the events in Waterbury Walk which was held but had a smaller result, the Annual 5k Walk/Run in Newington, and the Thanksgiving Day Turkey Trot in Stratford being cancelled for safety reasons. The Valley of Norwich was able to operate the Clam Chowder and Fritter booth at the North Stonington Fair to great success this year, enabling the valley to continue its support of the Dyslexia Center. The Valley of Bridgeport held a new event, a virtual walk on Valentine's Day that was also very successful and plan on attempting to do another for next year. The continued support of individuals and corporations is vital to the success of the Waterbury Campus and our satellite operations.

## Conclusion:

In conclusion, all the Valleys in Connecticut form the Council of Deliberation should continue to shift our focus from the individual Valleys to Scottish Rite in Connecticut as a whole. There should be more engagement among the valleys. Degree teams can visit another valley to portray a degree, or joint degrees can be arranged. Also, when a valley plans an activity, other valleys should be invited to participate. Our brethren need communication not only from their own Valley but from all the Valleys to support them. This will help grow the strength of the Scottish Rite in Connecticut and offer our members opportunities for degrees, family life events, fund raising opportunities and a greater sense of brotherhood across our state.

# REORT OF THE COMMITTEE ON DISPENSATIONS AND CHARTERS

To the Illustrious Commander-in-Chief, Officers and Brethren of the Connecticut Council of Deliberation in session at Orange, Connecticut on October 1, 2021.

The committee submits the following report:

There was no business that came before the committee in the preceding year and therefore, the committee has nothing to report.

Respectfully submitted, Austin P. Clark, 33° Theodore J. Nelson, 33° Kenneth B. Hawkins, Sr., 33°, Chairman

## REPORT OF THE AUDIT COMMITTEE

To the Illustrious Commander-in-Chief, Officers and Brethren of the Connecticut Council of Deliberation in Session at Orange, Connecticut on October 1, 2021:

The committee was established following the Connecticut Council of Deliberation session on September 15, 2018.

The committee has been charged with review of the information provided to the COD concerning its overall finances.

Observations and recommendations:

# **Financial reporting:**

 We received and reviewed the QuickBooks report of the Treasurer for the year ended July 31, 2021 and have included in our financial review the activity for the years ended July 31, 2017 through July 31, 2020 for comparative purposes. This

reporting format provides a snapshot of financial trends and is a useful tool for leadership when considering whether short-term or long-term changes need to be made to revenue and expenses to minimize operational losses. With regards to the July 31, 2021, financial information received, we recommended one adjustment to record the financial activity of the trustee's investment account.

#### Trust investments:

• We have attached a summary of the investment account holdings as of July 31, 2021, through July 31, 2019. We note BNY charged an investment advisory fee of \$1,708 for the fiscal year. The holdings are a selection of mutual funds. The fee, although not significant when compared to the portfolio value under management, we again recommend the COD consider alternative no fee investment firms such as Vanguard or Schwab utilizing low-cost mutual funds in a diversified portfolio.

## Membership:

 Combined Valley membership as of June 15, 2015, totaled 2,517 and currently stands at 2,042 as of June 15, 2021. The loss of members places additional financial burden on the COD due to a reliance on per capita assessments. Absent a net change in membership of zero or better, the solutions are increasing per capita, spending down the investment account, reducing operating expenses or some combination. See our comments concerning "Revenue enhancements and cost mitigation efforts."

# **Governmental compliance:**

 On September 18, 2021, we reviewed the IRS filings for the COD, and the five Valleys reported on the IRS Tax-Exempt Organization search page. Of the most recent returns listed, all but the Valley of Waterbury file Form 990 or 990-EZ returns. The Valley of Waterbury files a Form 990-N and we are assuming the officers have determined it is not otherwise required to file Form 990 or Form 990-EZ. With regards to the

Form 990 and 990-EZ filings, the returns available online are the returns filed for the year ended July 31, 2019. The most recent Form 990-N, filed by the Valley of Waterbury, available online was for the year ended July 31, 2020. Of note is the fact all the Form 990 and 990-EZ returns for the year ended July 31, 2019, were paper filed. We note the IRS has mandated electronic filing of Form 990 and 990-EZ for years beginning on or after July 2, 2019, and as the 2019 returns are for the year August 1, 2019 – July 31, 2020, it is of concern the returns have not posted within the IRS reporting database. We are aware of processing delays due to the COVID pandemic but that should not be the case for electronically filed returns. We are also aware the IRS has been rejecting paper Form 990 and 990-EZ filings and requiring refiling via electronic submission of the return.

- We noted the Valley of Waterbury and Council of Deliberation use a home address when filing their Form 990. In our experience, this is a risky practice because the address on the return is the IRS address of record. Notices, including failure to file and loss of exempt status, are sent to the address of record. Lodges, masonic building entities, and other masonic bodies have lost their tax-exempt status because of this practice and the officers of the masonic body were unaware of the failure to file issue. We recommend the use the physical street address or a business P.O. Box, accessible by the secretary and treasurer for the return address.
- Last year we noted all but two Valleys have separate filings for their respective bodies and that upon further research, through the IRS database, we found Valleys in the U.S. filing one return encompassing the activities of all bodies and other Valleys filing separate returns for each body. We are unable to determine the compliance basis for the two divergent methods. If a Valley is contemplating changes to current filing practices, we recommend the Valley discuss the proposal with the Treasurer of the NMJ and their tax advisor to obtain guidance on how to

accomplish the filing changes given the bodies have not been dissolved, to prevent IRS compliance challenges at a later date.

## Revenue enhancement and cost mitigation efforts:

• Revenue comes from three sources, per capita assessments, dinner receipts and investment income. The COD approved a per capita change from \$1 per body per member to \$5 per body per member. For the assessment date of 6-15-2020, the COD increased the per capita to \$2 which increased the total per capita to \$17,500 which was collected in the current period. This increase, during a period of reduced expenses enabled the COD to realize net income from operations in the amount of \$9,545 reversing years of operating losses. For the assessment date 6-15-2021, the per capita was raised to \$3 per body per member for total receipts of \$24,504. This per capita will be collected and reported within the fiscal year ending July 31, 2022, helping to offset the expenses of the August Supreme Council session and the October COD session. We congratulate the officers of the COD for taking decisive action to address the operating shortfalls occurring in the preceding years. That said, the officers will need to continually monitor operating expenses, especially the session(s) expenses during the budgeting process.

We appreciate the opportunity to participate in this process.

Respectfully submitted, III. William E. Bohman, 33° III. Newton Buckner III, 33°, *Chairman*
